

HULL SHARED LIVES SCHEME LEARNING & DEVELOPMENT PROGRAMME 2023/24

MANDATORY TRAINING FOR ALL APPROVED SHARED LIVES CARERS

You **MUST** complete mandatory training to meet the Scheme and CQC requirements. Failure to complete mandatory training will result in a formal review of your Shared Lives Carer status.

Support carers that come to your home whilst you take a break will complete the mandatory training* and any care specific training depending on the needs of the individual as a minimum.

You may be required to renew any of the mandatory or care specific training earlier than the renewal date or more frequently than that identified in the Learning plan. This may be for a number of reasons such as: if a learning need is identified by the SL Carer or Scheme worker during a monitoring visit, regulatory check or at your annual review. This will be discussed with you and
