

The DREaMS Team

Who are we?

The DREaMS (Digital Records Enabling and Management Support) Team has been put together by your local ICS to act as a single point of contact to support or signpost you to the most appropriate resources to help you make best use of technology.

We are Laura Brady (Senior Business Change Officer), Helen Haynes and Sophie Swalwell (Business Change Officers) and Sharelle Gibbins at HERCA.

Available Funding

As you may be aware the ICS has funding available for Digitising Social Care, this funding is specifically for Digital Social Care Records (DSCR) or sensor-based falls technology.

To be eligible for the Digital Transformation funding, you must be applying for a system from one of the NHS assured suppliers for DSCR, we have attached the link to the main page regarding suppliers and the funding. In addition, we have added the link to the decision tree to aid your choice in supplier to ensure they offer what is needed for your specific home.

Decision Tree - <https://www.digitalsocialcare.co.uk/dscr-assured-supplier-tool>

You must supply a copy of your quote on completion of the form to the DREaMS Team. **This funding is only for new systems and cannot be awarded retrospectively.**

For sensor-based falls the NHS have not yet produced an assured supplier list, therefore when applying for funding please obtain 3 different quotes from companies as you may be requested to provide this information during the approval process. Upon completion of the application form please provide a copy of the relevant quote for which you are requesting funding.

The funding will cover the implementation costs of a DSCR or sensor-based falls technology, the ongoing costs will have to be picked up by yourselves.

Who can apply?

All providers can apply for funding, just ask for an application to complete.

Still unsure? Drop the team an email on the below email address and one of us will be in touch.

**Please email your completed application form and quote to
- dreamsteam@eastriding.gov.uk (If you are applying for more than one home,
please submit a separate application for each home).**

*Please ensure you return the digital maturity questionnaire with your application form
for it to be considered.*
